**DOWNTOWN PATERSON BUSINESS AND MERCHANTS PRESENT
THE CITY OF PATERSON'S FIREWORKS SPECTACULAR**

For Immediate Release

PATERSON, NJ - - The Businesses and Merchants are pleased to sponsor, for the fourth year, the City of Paterson's Fireworks Spectacular. While cities and counties all across America are canceling their shows due to the economy, The City of Paterson is able to provide its residents with a 4th of July fireworks show as a result of sponsorship by the Downtown Paterson Special Improvement District, a non-City agency.

The \$40,000 fireworks show is slated for Friday, July 3rd at approximately 9:00 PM. The fireworks will be shot off at the Garret Mountain Reservation in Woodland Park, which overlooks the City of Paterson, providing many vantage opportunities for Paterson and other Passaic County residents. In addition to celebrating the birth of our nation's Independence, the Paterson City fireworks show also celebrates the City of Paterson's 217th birthday.

The businesses and merchants of Downtown Paterson through the Downtown Paterson Special Improvement District is the premier sponsor of the event. Additional sponsors are the City of Paterson and The Brownstone. For more information, contact the Downtown Paterson SID at 973-881-7300.
